☞ Tim Noble is considering running an Introduction to Missions class in Kenora, which will help people better understand what the Bible says about missions, some of what has happened and is happening in missions, and a bit of the cultural considerations in missions so that we may better understand how God has called each of us to participate in what He is doing around the world. At this point, we are looking to see if there is enough interest to plan for this class. If you are interested in attending such a class, please advise Karen Sinclair (email sinclair@kmts.ca).

☞ **Time Change**

Just a reminder that the time change takes place at 2:00 a.m. next Sunday, November 4th. Clocks get set back one hour.
